This document uses the following terminology: the Student is defined as the party that will complete the job that has been listed, while the Client is the person that posts the job and pays the student.

1. Payment – The client must pay the agreed price, detailed above, upon satisfactory completion of the job by the student.
2. Schedule – The student will complete the job in accordance with the agreed upon schedule.

3. Entire Agreement - This document reflects the entire agreement between the Parties and reflects a complete understanding of the Parties with respect to the subject matter. This Contract supersedes all prior written and oral representations. The Contract may not be amended, altered, or supplemented except in writing signed by both Parties.

4. Legal and Binding Contract - This Contract is legal and binding between the Parties as stated above. This Contract may be entered into and is legal and binding in Puerto Rico, the United States, and its other territories. The Parties each represent that they have the authority to enter into this Contract.

5. Severability - If any provision of this Contract shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If the Court finds that any provision of this Contract is invalid or unenforceable, but that by limiting such provision it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.

6. Applicable Law - This Contract shall be governed and construed in accordance with the laws of the state where the Property is located, without giving effect to any conflicts of law's provisions.

7. Termination – Both parties can choose to terminate the contract; continued contract terminations without job completions will be faced with disciplinary action from the QWERTY Dev Solutions Admin team.

PaRapido and the QWERTY Dev Solutions Team is not responsible for the general payment process between both Parties. In case of a breach of contract by either Party – namely, failure of payment by the client or failure of job execution by the student – and the dispute that arises cannot be resolved, then both Parties must resort to appropriate legal action.

The page for the corresponding job contains a two-way certification process, allowing each Party to acknowledge and agree to the contract. BY CERTIFYING THIS STEP ON THE AFOREMENTIONED PAGE, BOTH PARTIES ACKNOWLEDGE HAVING READ AND UNDERSTOOD THIS CONTRACT AND THAT BOTH PARTIES ARE SATISFIED WITH THE TERMS AND CONDITIONS CONTAINED IN THIS CONTRACT. BOTH PARTIES ARE ENTITLED TO A COPY OF THIS CONTRACT.
